

AmpliFund Recipient Resource Center

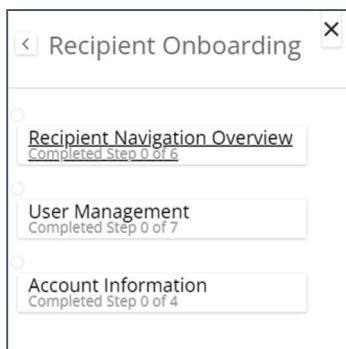

The Resource Center features product guides and walkthroughs to assist with key activities in AmpliFund. Guides will be expanded overtime.

Click the AmpliFund logo in the bottom left corner to access

Recipient Onboarding

This section features guides focused on navigation, adding & inviting users and updating account information such as the account owner.

Recipient Grant Management

This section features guides focused on common grant management activities completed by recipients related to expenses, payment requests, performance achievements & more.
