Performance Scope and Strategies Release

AmpliFund
A Euna Solutions Company

Key Changes

(1) Performance Scope
Grant Makers
- Users with access to **Opportunities** and **Awards** can define and provide visibility into the **Performance Scope**, as well as set expectations for the Program.
- Performance Scope will display in the **Applicant Portal** under the Performance Plan tab.

- Grant Seekers
- Users with access to **Grants** can define and provide visibility into the **Performance Scope** of a Post-Award grant**.**
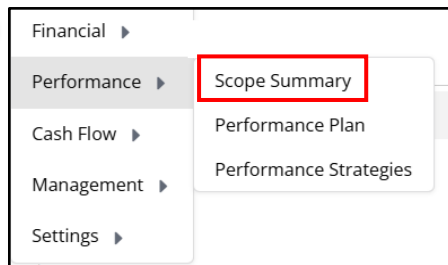

(2) Applicants can now Propose a Strategy
Grant Makers
- Applicants can now propose strategies in the **Performance Plan Template** within the **Applicant Portal**.
- Enable *Applicants can Propose Strategies* from the Opportunity > Performance Plan Settings

→ Performance Scope reportable via Opportunity/Grant Performance Scope category

---

New
